

The Terrace School (Alexandra)

Amendment of Enrolment Scheme

Overview – what is changing?

The Ministry of Education is proposing to amend the existing enrolment scheme for The Terrace School and at the same time will be amending the enrolment scheme for Clyde School.

The Ministry is proposing to reduce The Terrace School home zone, to reflect the lack of through access in the northern section. The amendment will also update the scheme to land parcels and will clarify the boundaries between The Terrace School and Clyde School’s home zones. The proposed scheme and full written description can be found [here](#). Changes include:

- Nelsen Ridge Road to Watson Road is removed from The Terrace School zone and becomes part of the Clyde School home zone. Brassknocker Road becomes the new boundary area.
- Golden Road is clarified as being part of the existing home zone of Clyde School.
- The south side of Coates Road and the west side of Airport Road between Coates Road and State Highway 8 becomes part of the Terrace School zone.
- Half of Letts Gully Road (334-454 Letts Gully Road) and Springvale Road between Kelliher Lane and Golden Road has been removed from Clyde School home zone and becomes part of The Terrace School home zone.

The Ministry is also considering including a transitional arrangement to minimise the impact for current families. This is a new process included in the Education and Training Act 2020 and will allow siblings of current students to retain the right to enrol at The Terrace School in the future, provided certain criteria are met.

What does this mean for my family?

Any student currently enrolled at The Terrace School will not be impacted by a change to the enrolment scheme. All students enrolled (and have started attending) will be entitled to continue attending The Terrace School, irrespective of where they currently live.

The change to the home zone will affect all enrolments starting in 2023. It is important to note that enrolment starts when you first attend school, not when enrolment forms are completed. This means the changes will include current families who have a younger sibling looking to enrol at The Terrace School, and will start school in 2023 or later. The flowchart below will help you assess your indicative eligibility to enrol from 2023. There are also scenarios available to view [here](#) that shows how this works in practice.

Consultation process and timeline

The Ministry of Education is currently undertaking consultation about the proposed changes and new enrolment schemes. You can have your say by:

- Completing the survey at <https://consultation.education.govt.nz/education/clyde-and-the-terrace-schools>
- Emailing otagosouthland.enrolmentschemes@education.govt.nz if you have further questions or comments

Consultation will run until the 12 September 2022. The Ministry will consider all feedback and liaise with The Terrace School Board before making a final decision. We expect the school community to be updated about progress made in Term 4. The new schemes and changes will come into effect for the beginning of 2023.
