Home Zone

All students who live within the home zone described below (and shown on the map) shall be eligible to enrol at the school.

Start on the eastern Waikato River riverbank at the point of intersection with Boundary Road.

The boundary runs east along Boundary Road to the intersection with Peachgrove Road, and includes addresses in the cul-de-sacs, Marne Street and St Clair Court.

It then tracks south down Peachgrove Road until reaching the intersection of Te Aroha Street, Peachgrove Road and Ruakura Road, where it turns east again to follow Ruakura Road to the intersection with Wairere Drive.

At the intersection of Ruakura Road and Wairere Drive, the boundary turns south and follows Wairere Drive to the intersection with Clyde Street, where it turns west to follow Clyde Street (addresses on both sides of the street, up to and including 209 and 220 Clyde Street are inside the boundary).

At the intersection of Clyde Street and Galloway Street, the boundary turns south and follows Galloway Street to its end at Cobham Drive (SH1). It then continues due south overland to the Waikato River and traces the eastern Waikato River riverbank back to the starting point, where Boundary Road intersects the eastern Waikato River riverbank.

Note: Both sides of all streets and roads included in the above description are included unless otherwise stated.

Proof of residence within the home zone will be required.

Each year, applications for enrolment in the following year from in-zone students will be sought by a date which will be published in a daily or community newspaper circulating in the area served by the school. This will enable the board to assess the number of places which can be made available to students who live outside the home zone.

Out of Zone Enrolments

Each year the board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The board will publish this information by notice in a daily or community newspaper circulating in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolment will be processed in the following order of priority:

First Priority this priority is not applicable at this school because the school does not run a special programme approved by the Secretary for Education.

Sixth Priority will be given to all other applicants.

If there are more applicants in the second, third, fourth, fifth, or sixth priority groups than there are places available, selection within the priority group must be by ballot conducted in accordance with instructions issued by the Secretary under Section 11G(1) of the Education Act 1989.
