

## Enrolment Zone

All students who live within the home zone described below shall be entitled to enrol at the school.

Starting where Puarenga Stream enters Ōwhatiura Bay of Lake Rotorua, the enrolment zone boundary continues northeast along the shoreline behind 41 Hona Road.

The enrolment zone border eventually redirects from the shoreline and crosses Hamurana Road to line up behind 1031 Hamurana Road (outside the zone).

It then travels north behind addresses on Hoko Road (outside of zone) to line up with the stream behind addresses on Kaharoa Road (also outside the zone).

The boundary follows this stream and continues north behind 818 to 1300 Kaharoa Road (outside of zone) to where the stream connects with Kaituna River.

The zone continues in line with Kaituna River for two to three kilometres, until crosses southeast to directly line up with a parking bay on SH 33.

From this parking bay, the zone continues east to connect with a stream and then south for about 600 metres to then continue east between properties on Lichenstein Road (included in the zone) and those on Ridge Road (excluded from the zone).

The line eventually crosses Maniatutu Road south of 1815 Maniatutu Road (outside of zone), and south of properties on Pugh Road and Pongakawa Bush Road (all addresses excluded from the zone on both roads).

From here the enrolment zone boundary line continues south along the eastern edge of 391 Rotoehu Road to the shoreline of Lake Rotoiti at Te Kōpiha Bay (in zone).

Once on the shoreline the zone boundary follows west around the lake all the way to Tapuaekura Bay.

At 875 SH 30 (excluded from zone) the boundary crosses down from the shoreline to SH 30 and follows down the middle of the highway east. Addresses on Curtis Road are included in the zone.

At the eastern edge of 814 SH 30 the boundary line leaves the highway and follows the edge of this address south to include all properties surrounding Lake Rotokawau and then south around the back of properties on Hawthornden Drive (in zone).

Behind 172 Hawthornden Drive the zone follows east to Western Okatania Walkway. The enrolment zone continues south along this walkway to where it connects with Millar Road.

All properties on Millar Road are included in the zone, which extends further east to include all addresses on Spencer Road and connecting streets. The zone then connects to the Lake Tarawera shoreline behind 591 Spencer Road (in zone) at Otūmūtū.

The boundary then continues along the shoreline to the east and down to Te Hīnau Bay of Lake Tarawera. From here it crosses southwest to connect with Highlands Road. The edge of the enrolment zone here is at 171 and 148 Highlands Road, both of which are outside the zone. From here the boundary line follows northwest to Lake Rotokakahi and then north east along the shoreline to connect with Tarawera Road.

All addresses on Mead Road are in zone as well as address between Tarawera and this point on the road.

From here the boundary follows Tarawera Road Past Lake Tikitapu and around the Blue Lake TOP 10 Holiday Park (included in the zone).

Tarawera Road continues to be the boundary line for the school's enrolment zone, all addresses on the right of this road when travelling to Rotorua are in zone, all the way to the intersection of Titokorangi Drive and Tarawera Road.

The zone continues down Titokorangi Drive and behind properties on Awatea Terrace (included in zone), to include properties on both sides on Tarawera Road and those on Dixon Road off Te Ngae Road in this area.

From behind properties on Dixon Road the boundary meets with Te Ngae Road and follows along the middle of this road to where it crosses with Puarenga Stream.

The zone then continues back to the start of the boundary, along Puarenga Stream to where it enters Lake Rotorua.
