

What does this mean for my family?

Any student currently enrolled at Oruaiti School will not be impacted by the new enrolment scheme. All students enrolled (and attending school) will be entitled to continue attending Oruaiti School, irrespective of where they currently live.

The change to the home zone will affect all enrolments starting in 2022. This includes current families who have a younger sibling looking to enrol at Oruaiti School and starting in 2022 or later. The flowchart below will help you assess your indicative eligibility to enrol from 2022.

Consultation process and timeline

The Ministry of Education is currently undertaking consultation about the proposed changes and new enrolment schemes. You can have your say by:

Completing the survey at: <https://consultation.education.govt.nz/> on the Oruaiti Consultation page.

- This site also has further information about the proposed scheme.
- Emailing taitokerau.enrolment.schemes@education.govt.nz if you have further questions or comments.

Consultation will run until **16 August 2021**. The Ministry will consider all feedback and liaise with the Oruaiti School Board before making a final decision. We expect the School community to be updated about progress made **1 September 2021**. The new scheme and changes will come into effect for 2022 enrolments.
