

# TAUMATA SCHOOL (1729)

## ENROLMENT SCHEME

01 JANUARY 2024

The guidelines for the development and operation of enrolment schemes are issued under section 72(1) of the Education and Training Act 2020 for the purpose of describing the basis on which the Secretary's powers in relation to enrolment schemes will be exercised.

### **Home Zone**

**All students who live within the home zone described below (and shown on the attached map) shall be entitled to enrol at the school.**

*Starting at the roundabout at the intersection of Pyes Pa Road and Takitimu Drive, the Taumata School Enrolment Zone follows Takitimu Drive north-west and includes addresses on streets that connect on both side of this road. This includes addresses on Te Ranga Memorial Drive and any roads coming off this road. Further north-west the boundary is behind 398 and 396 Takitimu Drive (addresses included in zone).*

*The boundary then connects to the centre of Takitimu Drive and includes all addresses on Lakes Boulevard which runs parallel to Takitimu drive but does not include 227 Takitimu Drive.*

*After this, the boundary follows behind Awhata Reserve to Kopurererua Stream and follows the stream north. All addresses off Awhata Crescent and Foley Grove (roads stemming from Paraone Koikoi Drive) are included in the zone.*

*Continuing from the stream back to Takitimu Drive after the above mentioned addresses, the boundary is Takitimu Drive and includes all addresses to the east of the drive including those on Rire Hau Lane and Boulder Lane.*

*Lake Taurikura Drainage Reserve is a natural boundary from this point onwards north and is included in the zone as the boundary continues south of addresses on Scoria Close and Landing Drive, and Waikohua Reserve (which are not included in the zone), to Lakeview Quay.*

*Addresses on Lakeview Quay including 3 Lakeview Quay are in zone and so are addresses on Fender Close. Kiriwhakarewa Reserve is in zone as the boundary goes around the back of addresses on Landing Drive and Pumice Glade (these addresses are not in zone) to Lakes Boulevard.*

*On either side of Lakes Boulevard addresses 36 and 10 form the boundary which then continues east to Rexford Heights numbers 14 and 5 on either side of the road. All addresses in Rexford Heights south of numbers 14 and 5 are in zone as the boundary is around the back of these.*

*The boundary continues east and included in the zone are all addresses on Jason Place, Bradley Avenue, Georgia Grove, Molloy Rise, Pengary Lane, Stonebridge Way, , Brainell Valley Road, and Freeburn Road, all the way to Pyes Pa Road.*

*On Pyes Pa Road addresses 148 and 152 are in zone and form the boundary which continues south and includes even numbered addresses to 164 Pyes Pa Road.*

*Following further south behind addresses on Freeburn Road to 66 Kennedy Road. All addresses on Kennedy Road are included in zone and the boundary continues between 19 Kennedy Road and 264 Pyes Pa Road to the centre of Pyes Pa Road.*

*The boundary then follows along Pyes Pa Road south to the Pyes Pa Road and Takitimu Drive roundabout.*

### **Out of Zone Enrolments**

Each year the Board of Trustees will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The Board will publish this information by notice in a daily or community newspaper circulating in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

### **Special Programmes**

The school does not operate any special programmes

Applications for enrolments will be processed in the following order of priority:

- **First priority** must be given to students who have been accepted for enrolment in the above special programme(s) run by the school and approved by the Secretary for Education.
- **Second priority** must be given to applicants who are siblings of current students.
- **Third priority** must be given to applicants who are siblings of former students.
- **Fourth priority** must be given to any applicant who is a child of a former student of the school.
- **Fifth priority** must be given to any applicant who is either a child of an employee of the board of the school or a child of a member of the board of the school.
- **Sixth priority** must be given to all other applicants.

If there are more applicants in the second, third, fourth, or fifth priority groups than there are places available, selection within the priority group will be by ballot conducted in accordance with instructions by the Secretary under Schedule 20 (2) of the Education and Training Act 2020. Parents will be informed of the date of any ballot by public notice in a medium appropriate to the area served by the school.

Applicants seeking second or third priority status may be required to give proof of a sibling relationship.

Proof of residence within the home zone may be required.

### **Transitional Arrangements**

For families of currently enrolled students whose addresses become out of zone as a result of the amendment of this Enrolment Scheme.

**Section 75 of the Education and Training Act 2020** states that,

“The Secretary may authorise an enrolment scheme to permit a student to enrol at the school as if the student lived in the home zone of the school if, -

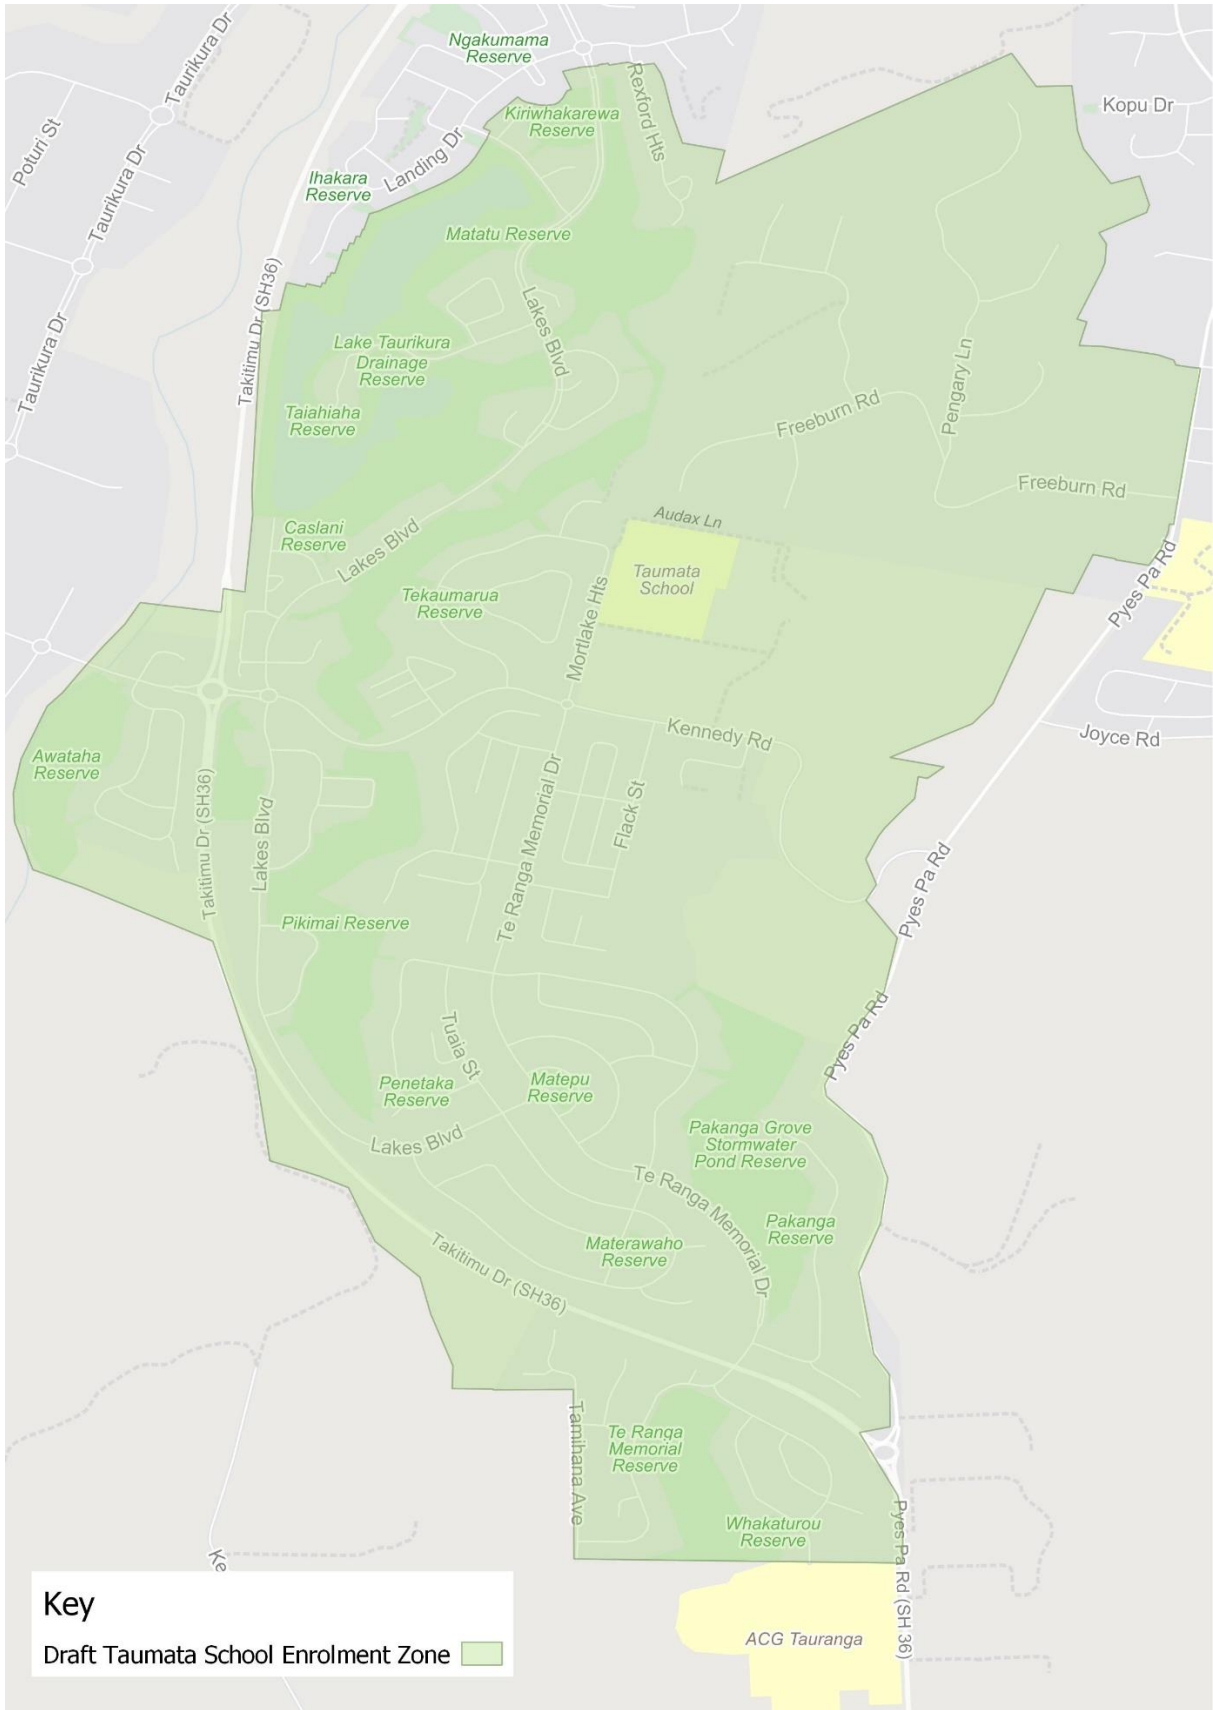

- (a) in the case of an existing enrolment scheme whose home zone is amended, —
  - (i) the student lives outside the amended home zone; and
  - (ii) the student has a sibling who is enrolled at the school at the time that the amendment is implemented; and
  - (iii) the sibling, at the time that the amendment is implemented, lives inside the home zone as it was before the amendment; and
  - (iv) the student, at the time of enrolment, lives inside the home zone as it was before the amendment:
  
- (b) in the case of a **new enrolment scheme**, the student—
  - (i) lives outside of the home zone of the new enrolment scheme; and
  - (ii) has a sibling who is enrolled at the school at the time that the new enrolment scheme is implemented.

This provision has been approved for inclusion in this Enrolment Scheme for a period of **2 years** from the 1<sup>st</sup> January 2024.

If applying for enrolment under this part of the Enrolment Scheme, the siblings name, and evidence of a sibling relationship may be required by the school.

**Section 75 of the Education and Training Act 2020** sets out the definition of a “sibling” for these purposes.

The school will maintain a list of students enrolled at the time of the implementation of the enrolment scheme and its adoption by the board to enable determination of eligibility to enrol under this provision.
