This will enable the board to assess the number of places that can be made available to students who live outside the home zone.

### Proposed Special Programme

The school operates the following special programme; Te Korowhio Reorua Hub.

**The criteria for acceptance into the Te Korowhio Reorua hub is as follows:**

All prospective learners will need to demonstrate a commitment to te reo Māori me ōna tikanga as observed by the Kaihautū Māori and the Te Korowhio Reorua Committee as well as Whānau having a strong commitment to using te reo Māori me ōna tikanga in the home.

Entry is determined by our Kaihautū Māori and the Te Korowhio Reorua Committee who sit independently of the school.

If there are more applicants than spaces available in the programme, places will be balloted according to the criteria set.

The number of learners who are able to join Te Korowhio Reorua hub is limited to 60 places. (see note 1)

For learners who meet the commitment above, priority for acceptance into the programme is in the following order:

1. Applicants residing within the Te Rōhutu Whio home zone and with siblings currently enrolled at our Reorua hub.

2. Applicants who reside within the Te Rōhutu Whio home zone.
3. Applicants from our contributing Kōhanga (see note 2)
4. Applicants residing outside of the Te Rōhutu Whio home zone and with siblings currently enrolled at our Reorua hub.
5. Applicants with extended whānau connections, for example, cousins.
6. All other applicants.

If there are more applicants in any priority group than places available, a ballot will be conducted. Priority will be given to those where Te Rōhutu Whio is their closest geographical Reorua provision.

Note 1: The number for out of zone places will be determined following applications from in-zone students during the pre-enrolment process. Spaces available for out of zone learners will be published on the Te Rōhutu Whio website each year.

Note 2: This priority is to allow future access for students that may attend a Kōhanga in Rolleston.

## **Out of Zone Enrolments – updated wording**

Applications for enrolments will be processed in the order of priority specified in the [Education and Training Act 2020](#).

Before the application deadline associated with each pre-enrolment period, a Board must, by public notice in a medium appropriate to the area served by the school:

- confirm the already advertised dates for the receipt of applications and for the holding of the ballot.
- state the likely number of out of zone places that remain available.

If there are more applicants in any priority group than there are places available, selection within the priority group will be by ballot conducted in accordance with [instructions by the Secretary](#), under Schedule 20, Clause 3 (1) of the Education and Training Act 2020. Parents will be informed of the date of any ballot by public notice in a medium appropriate to the area served by the school.

Applicants may be required to give proof of address or sibling relationship.

The guidelines for development and operation of enrolment schemes are issued under Schedule 20, Clause 3 (3) of the Education and Training Act 2020 for the purpose of describing the basis on which the Secretary's powers in relation to enrolment schemes will be exercised.
